Champion Surf Life Savers

On Friday 7th November four boys represented Bellingen High School at the North Coast Combined High Schools Surf Life Saving Championships held in Byron Bay. Murky, cold water was to greet Max Shaw, Fred Mitchell, Jonah Mitchell and Jedd Mitchell. The boys contested in the beach sprints, flags, swim, board and ironman events.

There was silence in the crowd when Bellingen High School was announced winner of the Boys Teams score. Officials could not believe that 4 boys from Bellingen could beat 19 boys from Byron Bay in their own backyard. Great competitiveness and sportsmanship was displayed by all 4 boys.

Jedd Mitchell (pictured) took out the U/16 North Coast Surf Life Saving Champion.

On Sunday, 9th November all 4 boys were at it again this time at Woolgoolga Beach. After the Carnival, Max, Fred, Jonah and Jedd were selected in the North Coast Branch Representative Team to contest the NSW Interbranch Championships at Newcastle - another great performance by Bellingen High School students.

Liz Hoy/Jon Winfer
Sport Organisers
From the Principal

On Wednesday we had the pleasure of hosting Years 7 and 8 Chrysalis students who are enrolling in our school in 2015. The visiting students had an opportunity to shadow one of our students for the day to experience a day in the life of a Bellingen High School student. Parents were given a tour of our great facilities and had the opportunity to ask a range of questions to find out as much as they could about how our school works, and how we can work together to ensure their kids have a positive experience at our school. I am looking forward to seeing them integrate and flourish as many of our Chrysalis kids have done in the past.

This is a time of school planning for the next three years with many opportunities for the community, parents, students and staff to have input about what is great about our school, and what improvements we may be able to work on. On Monday night we had over twenty parents attend a parent planning session where there were some great conversations and ideas for the future. Can I take this opportunity to encourage you to complete the following surveys that are relevant to you. This is another way for us to gather some detailed information that will be used to direct our strategies into the future.

- Bellingen High School Uniform Survey
- Parent Survey about Learning
- Teacher Survey about Learning
- Student Survey about Learning

The links to these surveys have been emailed to parent contacts via our school distribution lists. If you would like to be on the list please call or email the Front Office for a link - bellingen-h.school@det.nsw.edu.au

Paul Holding

Bellingen High Uniform Survey

A reminder to students, staff and parents about completing our online uniform survey. If you have registered your email address with the school to receive our Newsletter you should have received an email in regard to the survey. Any parents who would like to receive our Newsletter electronically plus the uniform survey please contact the school’s Front Office with your email details.

P&C Meeting

Monday 8 December – 6.30pm
Staff Common Room  All Welcome!
From the Science Faculty
Down at the Ag Plot!

G’day from the Ag plot. It’s been very dry for the last few weeks; the few drops of rain we have had have been sucked up by thirsty ground and haven’t really reached the waterways. It’s so dry in the school paddocks that the old road is starting to appear next to Crown Street.

The Dorrigo Show is rapidly approaching and Bellingen High students are keen to compete. If you haven’t anything organised for Saturday 22nd November why not take a lovely drive up to Dorrigo and come to the Show for the day to support our local community...

The school has some livestock for sale see the advert in this Newsletter. If you are interested please contact Mrs Lockman our Ag Assistant for more information.

Hooroo ‘till next time

Trainee Farmer Hook

Year 10 Shirts

Year 9 are well organised with their shirt for next year, having chosen a design for the back and the style of shirt. Students have spent the last week confirming names and figuring out what size they need. Hopefully there won’t be too many growth spurts over the holidays! Parents and carers should have received a note about payments and due dates, but the key figures are outlined below.

**Total Cost:** $40.50

**Deposit:** $20.00 due Friday 21st November

*Remainder to be paid by Friday 5th December.*

Should you wish to purchase more than one shirt, a deposit needs to be made for each.

Once the full amount has been paid, the shirts will be ordered. This will guarantee delivery in time for Day 1 2015!

I’m looking forward to seeing a very snazzy Year 10 group next year.

Rebecca Lackey
Year 9 Advisor
Gold Excursion

A friendly reminder that the balance of $200 is to be paid to the Front Office by next Tuesday 18th November.

The Gold Excursion is for students who have achieved Gold Level (that is 20 or more Bronzes), and not been on Level 3 or above of the School's Level System.

If you have any questions, please do not hesitate to contact the school.

Julie Taylor/Rob Wickham
Coordinators

Responsible Service of Alcohol

Course name: Statement of Attainment in Responsible Service of Alcohol
Qualification: Statement of Attainment
Course Code: SITSS00024-01V01
Training package: SIT12 Tourism, Travel and Hospitality - Primary
Accredited Course: Yes - Nationally accredited
Attendance Details: 6.5 hours per day for a course
Tuesday 3:30 pm - 9:30 pm

Overview

Course Description:

This course is for personnel involved in the sale, service and promotional service of alcohol in licensed premises. It is also applicable to security staff who monitor patron behaviour and to the licensee who is ultimately responsible for Responsible Service of Alcohol (RSA) management.

For further information you can contact the Office of Liquor Gaming & Racing Board at: http://www.olgr.nsw.gov.au/phocadoc.asp

Career Opportunities:

Bar staff

Articulation:

Achievement of this unit provides credit towards a number of hospitality qualifications.

Entry Requirements:

There are no entry requirements for this course.

Whilst NSW laws regulate the sale, consumption and provision of alcohol to people under the age of 18 years (minors) there is no specific advice given by the NSW Office Liquor, Gaming and Racing (OLGR), The Liquor Act (2007), The Liquor Regulation (2008) and Service Skills Australia about the age of participants undertaking units of competency related to the sale, consumption and provision of alcohol.

TAFE NSW Tourism Hospitality and Events Project Advisory Group, made up of

Semester 2 2014
Coffs Harbour Education Campus
363 Hogbin Drive
Coffs Harbour, 2400

North Coast TAFE recognises and acknowledges the traditional custodians of the land upon which we work and study.
North Coast TAFE recognises and acknowledges the traditional custodians of the land upon which we work and study. All information is accurate at time of printing. Course commencement is subject to sufficient resources and demand. For the most up-to-date information on course content, attendance modes, fees, concessions, refunds and exemptions; recognition of prior learning and credit transfer options; student support services including literacy and numeracy support and welfare services; student rights and responsibilities; appeals and complaints process and Department of Education and Training Code of Conduct visit the Institute website on northcoasttafe.edu.au or phone 1300 628 233.
representatives from all TAFE NSW Institutes, however have therefore agreed that there be a minimum age restriction of 17 years as an entry requirement into the following unit in this course:

SITHFAB201 Provide responsible service of alcohol

For more information on the course structure and to download the Student Assessment Guide, please visit the TAFE NSW website or contact us.

---

### Fees

**Course Price:** Non subsidised fee: $175.00 per course (GST free)

More information on fees and exemptions, see TAFE NSW fees or VET FEE HELP pages.

---

### Additional Info

**Appeals Process:**

If you do not agree with the result given for an assessment task, you may appeal the assessment decision. You should first discuss the assessment result with your teacher. If you are not satisfied with the outcome of that discussion you can access the appeal process through the staff in the campus administration office.

**Assessments**

There are assessments for every unit. You will be given at least one week’s notice by your teacher as to the actual assessment date and you must attend. If you are sick, a phone call to advise of your absence is required. Otherwise, a doctor’s certificate will be necessary to sit for the assessment. For more information on assessment, refer to ‘Every Students Guide to Assessment in TAFE NSW’ which is available on the TAFE internet site.

**Location**

We may be able to provide customised, flexible, or on-the-job options for this course. Contact us on 1300 NCTAFE (1300 628233) to discuss your needs.

More information on fees and exemptions, see [TAFE NSW fees](http://www.tafee.com.au) or [VET FEE HELP](http://www.tafee.com.au) pages.

**Reasonable Adjustment**

If you have a permanent or temporary condition that may prevent you successfully completing the assessment task(s) you should immediately talk with your teacher about ‘reasonable adjustment’. This is the adjustment of the way you are assessed to take into account your condition and may include providing a support person or extra time. The assessment criteria cannot be altered.

**Recognition**

TAFE NSW recognises skills gained through previous studies, the workplace and life experience which may allow you to complete your qualification faster. You may be entitled to recognition that will exempt you from one or more modules, up to 100% of the requirements for a course award. There is no fee for processing applications for current TAFE NSW students. Commercial (fee based) recognition is also available to organisations and individuals. If you are granted RPL the target unit is reported on your transcript of academic record as by advanced standing but you will not get a grade or mark for that unit. You must enrol in all units and apply for an exemption by completing a form. Attendance at class is necessary until the relevant exemption is granted.

Note: Some short, licensing or compliance courses, for example the Statement of Attainment in Food Safety for Supervisors, are not granted RPL by North Coast TAFE as demonstrated competency is required by regulatory authorities.

For further information please contact the Customer Service Centre on 1300 NCTAFE (1300 628 233) or visit our website.

**TAFE 2 uni pathways**

A TAFE NSW Certificate IV or Diploma could give you up 6 to 12 months advanced standing in a university degree and some Advanced Diplomas offer even more credit.

Choosing a TAFE to University Pathway at North Coast TAFE is a great way to get practical ‘job ready’ skills and then gain entry to a university at an advanced stage.

More information can be found on our [TAFE 2 uni page](http://www.tafee.com.au) on our website.
Sport News

Netball girls head to Grafton

The girls in the U14’s Netball team travelled to Grafton last Tuesday to compete in the Mid North Coast U15’s Knockout Gala Day.

The girls played 3 full games and a half game and came up against some very experienced teams, most who have played on the weekends and have represented at State level.

From game one we knew it was going to be tough but that didn’t stop them. The improvement from game one to the very last game was incredible, each girl playing a vital role in the team.

Game one saw our team go down against a much bigger and very experienced Grafton High team. This game meant we are now out of the State Knockout but thanks to the great organisation of South Grafton we were able to play another 2½ games giving the girls much needed playing time and good knowledge of what we will be up against next year.

We might not have won a game but the girls came off smiling. They should all be very proud of how they played and improved on the day especially for a team who have never played together before.

A big thank you to our fantastic umpire and all the parents who helped with transport on the day.

Sissiel “Supercoach”

Bellingen High School true Champions!

Bellingen High had 4 Futsal teams representing at the Senior Australian Futsal Championships held at Oxley, near Brisbane, over three days from 7\textsuperscript{th} to 9\textsuperscript{th} November. The Championships brings teams together from Cairns in the north to Sydney and Melbourne in the south. With four teams representing their school, Bellingen High had the largest amount of teams at the Championships. The teams were playing from 8am through to 8pm over the three days, which in itself is a big challenge.

19 Years Girls
The 19’s girls took on local team Robina State High in the first game where they cleared away the nerves and the cobwebs to dominate scoring 8 goals to 5.

Game 2 against Marsden State High School gave a dominant display of their passing game. At the end of the first half the score was already 6-0. This allowed the girls to trial some new plays and save some energy. Final score was 8-1.

Day 2 the heat increased and the girls took on St Peter Clavier in a hard fought tussle. Another tidy display resulted in a 3-1 victory. Later in the day the girls had to play the girls from the Football Academy from Harristown State High. This was a cracker of a game with the girls coming away with a well-deserved 7-5 win.

With one preliminary game to go the girls were already assured 1\textsuperscript{st} place so the game against Calvary made little difference. Calvary played well to draw with the girls 7-7. This put the girls into the semi-final against 4\textsuperscript{th} placed Robina with Harristown and St Peter Clavier to fight out 2\textsuperscript{nd} vs 3\textsuperscript{rd}. Robina were never really in the game as Bellingen dominated possession and booked a place in the grand final with a 5-2 victory.
The Grand Final against Harristown was a hard fought game with the Bellingen girls playing their passing game and Harristown just slamming any loose balls towards the goal. Sam Barker finished two Jess Marks passes, while Jess finished one. Half time score was 3-2 and it was anyone’s game. The girls went on in the second half with renewed determination despite some injuries and tiredness. They kept Harristown at bay while displaying their skilled passing game to set up opportunities to score. Jess Marks scored two more and Simone Fuller-Byrne one to make the final score 6-3.

The support for the girls was amazing with parents and students all cheering the girls on. This was truly a well-deserved win as this team has gone through all three stages of the competition undefeated. It was particularly nice for the girls that last year were beaten in the grand final of the 16’s competition. It was also a wonderful way for two of the players to finish their school life - Jemara Imrie and Hannah Taylor have both just completed their HSC and they will be greatly missed.

Jess Marks wins the golden boot award with 21 goals for the tournament, while Sam Barker was named in the All Stars Team. At this point it must be said that the reason this team was so successful is because they play as a team and all contribute to the success of the team in different ways. Gita Pastro was our amazing goal keeper who never took a step backward and owned her area. Hannah Taylor is a solid defender whose reading of the play allows her to set up many attacking plays from the back as well as making overlapping runs which scored her 4 goals. Amelia Brewin, who had to move up from the 16’s to give the 19’s a full squad, whose passing game set up many opportunities and Alex Jandzio-Fry who always added energy on the court with her never-say-die attitude. Simone Fuller-Byrne whose quick strike of the ball amazed everyone and netted her 7 goals. Jess Marks is a truly talented play-maker who can change the fortunes of a game and her partner in crime Sam Barker whose control of the ball enables her to dominate the court. Finally Captain Courageous, Jemara Imrie, who leads by example. There is no better mover off the ball than Jemara who draws defenders repeatedly to make gaps and ensures everyone is doing their job on the court.

16 Years Girls
The 16 years girls had a setback prior to leaving Bellingen with goalkeeper, Bess Condran, dislocating her knee. This meant young Jackie Kambere (only 13) had
to step up to the position. Due to another withdrawal the team ended up with 4 girls 14 years or younger. They had started their campaign early Friday morning against the highly favoured Assisi College. It took a while for the girls to adjust to the conditions but pressured the opposition scoring 4 goals. Unfortunately this was not quite enough and the girls went down by the smallest of margins 5-4.

The second game against Bishop Druitt College was a see-sawing game that displayed the importance of finishing. It seems that ball just didn’t want to find the net. Despite being the dominant attacking team the girls lost 3-2 in the closest of finishes.

The third and final game for the day was against Chancellor College. The girls were down 3-1 at half time but really rallied in the second half to pressure the opposition to see us even the score to 3-3. Unfortunately history was to repeat itself and against the run of play Chancellor scored in the dying minutes - another loss by one goal 4-3.

At the end of the first day the girls had three losses all by only one goal. This was to make the rest of their campaign very difficult.

Day 2 and the girls had to play Clontarf Beach High first getting their first win 3-1, followed by a draw with St Andrews 1-1. The final game of the day was against Harristown (the eventual winners) and proved difficult with the girls going down 5-0. Their final game on day 3 was against Mercy College. Finally the girls seemed to get everything together and show what they were capable of doing. They scored a massive 8 goals to 2. This finished them in 5th position just out of the semis, however if just one of those early games was a draw they would have been in the
semis. It just show how important every goal is. This was a very young team who learnt a lot and should be a force to be reckoned with in the future.

‘SAVE THE DATE’

YEAR 7 FAMILY PICNIC DAY

Monday 15th December

12.30pm – 2.30pm

BELLINGEN SWIMMING POOL
PARTICIPANT INFORMATION

Examining the knowledge, attitudes and perceptions of parents/guardians towards the 2014 NSW Measles High-school Catch-up Program

Research Team
Sonya Nicholl          Health Protection NSW
Dr Stephen Conaty     South Western Sydney Local Health District
Ms Deb Thomson        South Eastern Sydney Local Health District
Ms Natasa Veselinovic Illawarra Shoalhaven Local Health District
Dr Holly Seale        University of New South Wales

Invitation
You are invited to take part in a research project which aims to improve our understanding of the attitudes of parents/guardians towards school based vaccination programs in NSW. This study involves completing a 10-15 minute online survey which is completely anonymous. We are very interested to find out your thoughts on immunisation services in the school program.

1. What is the purpose of this study?
Researchers from NSW Health and the University of New South Wales are conducting a new study to understand what parents/guardians think of immunisation and the NSW school vaccination program, with a focus on the 2014 NSW Measles High-school Catch-up Program. The information will be used to identify strategies and also find out important information to help improve parent consent rates in the school program. We are interested in your views on these topics.

2. Why am I being invited to participate?
We are inviting all parents/guardians whose children attend a high school which is involved with the 2014 NSW Measles High-school Catch-up Program.

3. What does the study involve?
If you agree to participate, we would like you to complete one short 10-15 minute online survey. The survey will not collect any of your personal information, nor will your child or child’s school be identified in any way.

If you are happy to participate, please click the link to the survey. Further instructions will be provided.

4. What if I don’t want to take part in study?
Your participation is completely voluntary and it’s up to you whether you click on the link at the end of this information which will take you to the survey. If you decide to participate, you are free to withdraw your consent and to discontinue participation at any time without prejudice. Should you change your mind after you have submitted the survey, it will not be possible to remove your responses from the grouped responses. If you revoke consent prior to completing the questionnaire your results will not be included.
5. Are there any risks to me taking part in this study?
We do not anticipate any risks or discomfort to you from being in this study. There may be no
direct benefit to you by participating in this study. Participation in this study is completely
voluntary.

6. Will I benefit from the study?
You may not benefit personally, however we hope that the information we gain from the study
will help improve the experience of other parents/guardians and students involved in the routine
school vaccination program in NSW.

7. Will there be any cost to me?
No, participation will not cost you anything.

8. How will my confidentiality be protected?
We will not collect any personal details about you, your child or your child’s school. All of the
responses will be grouped and findings reported on together. Your responses will be entered in
the online survey and once the responses are completed, they will be extracted to a
spreadsheet where all other responses will be stored together. Only the research team will have
access to the grouped responses which will be stored on a secure NSW Health electronic
system and password protected.

9. What happens with the results?
The results from this study will be published in a medical journal and may be presented at
national or international conferences.

10. Who should I contact if I want to discuss the study further?
You have the right to ask and receive responses on any questions you may have about this
research. If you would like further information, or you have concerns about the conduct of the
study, please phone and discuss them with:

Ms Sonya Nicholl
Chief investigator
(02) 9391 9194 or sonya.nicholl@doh.health.nsw.gov.au

If you have a complaint, please contact:
The Ethics Secretariat,
The University of New South Wales,
SYDNEY 2052 AUSTRALIA
Phone 02 9385 4234 fax 02 9385 6648 email ethics.sec@unsw.edu.au

Any complaint you make will be investigated promptly and you will be informed out the outcome.

If you would like to participate in the short survey, please go to:
http://www.surveygizmo.com/s3/1826558/Parent-Guardian-Survey-NSW-Measles-High-school-Catch-up-
Program-2014
