News from the Ag plot!

Farmer Nick will be absent from the Ag plot for the next few weeks whilst he undergoes bionic knee reconstruction turning himself into SUPER FARMER ready for Term 4. In the meantime, trainee Farmer Hook is filling in with lots of help from Mrs Lockman and our Senior Agriculture students.

So what’s new at the plot? Year 7 Science students have been regularly visiting the baby chickens and weighing them each week. The chicks are now developing pin feathers and at 30 odd days are weighing on average a healthy 380g.

Nine ewes have delivered 16 lambs in the past couple of weeks, some of the lambs are beautifully multi coloured. Students have had fun helping to drench the ewes and cuddle the lambs.
We have two male lambs for sale (pictured below with the girls). If anyone is interested please contact the Front Office on 66551 315 for more information.

Bell-Hy cattle have returned from holiday, ready to be trained and burnished up for the Dorrigo Show in November.

The rain has certainly given our veggie patches the kick start they needed.

Hooroo ‘till next time.

Scholarship success for former Bellingen High students

SENIORES, please consider ........................................ as the HSC looms ever closer, and with so much uncertainty surrounding tertiary education fees and the impact on young peoples’ futures, it might be a good time to reflect on ways of achieving goals.

Obviously one key is to just work hard, study and attending school every day to gain the best support you can from your teachers and peers. That takes care of the HSC.

Now what about those future studies at TAFE, University or a College? It may be worthwhile looking at the possibility of scholarships and following the examples of former students who have been successful in gaining these bonuses.

Recently, I was honoured to be invited to attend a Scholarship ceremony for Hannah Galea (pictured right), a 2013 graduate from Bellingen High School, who was successful in gaining two scholarships. She worked hard to achieve good academic results, and is currently studying Social Work at New England University in Armidale. Hannah says independence at University is often a challenge which will only get harder in the future, as it seems inevitable that fees will rise.

Hannah gained a much sought after Royal Agricultural Society Scholarship, being one of 50 recipients out of 12,000 applicants. She was also successful in receiving one of eleven BCU Scholarships, out of 120 applicants. Hannah’s passion is to work with young people and in child protection, something that impressed the judging panels.

Hannah is finding much of the study demanding, but her determination and work ethic will get her through.

The same can be said of fellow student Samantha Terry (left), who is enjoying studying Medicine at ANU in Canberra. Sam is another dedicated graduate from last year who received a lucrative five year scholarship to become a doctor.

If you are embarking on senior study, or about to start your HSC, it might be worth that extra study effort and consider seeking scholarship opportunities.

Legacy Badge Day

On Friday 5th September SRC members will be selling Legacy badges at school and in Bellingen. Prices of merchandise start at $5 each for badges and pens.

A little bit about legacy: Legacy is committed to helping young families through bereavement and providing them with new opportunities in life. Legacy is aware of the significant loss endured by young families living without a parent and spouse and endeavour to compensate families for their loss by providing support through:

- Providing relief for financial hardship.
- Advocating for entitlements.
- Helping families thrive despite their loss.
- Assisting with children’s education and development.
School Social to Farewell our Year 12

On Thursday 4th September the SRC will assist in running the Year 12 Farewell Social. The theme for this social is “What do you want to be when you grow up?” So get your creative on and see what fantastic ideas you can come up with. Tickets are on sale now from the Front Office!! Unfortunately students who are on a level cannot attend. 😞

SRC members would like to thank the whole school community for their support – greatly appreciated.

Community Garden News

During the winter months all the greens in the school garden grew slowly but surely and now there is an abundance of good stuff to pick. Wander in the garden and you will find lots and lots of rocket – with which we made lots and lots of fantastic rocket and macadamia pesto, which we ate with bread and salad as well as on pasta with broccoli. Also many delicious snow peas – always welcome in a salad and perfect for steaming, stir-frying or just munching as a snack. And have you come across tatsoi? Tatsoi is bountiful in the garden at the moment. It is a spoon shaped, dark leafed green with a lighter coloured stem. The smaller leaves of tatsoi are delicious raw or in salads adding a sweet, tangy and slightly peppery flavour. Cooked, tatsoi can also be substituted for any recipe calling for spinach.

Our Term 3 gardening group brought a very positive and cheerful energy to the garden and contributed by doing plenty of mulching and watering (everything was so thirsty!), planting many new seedlings and generally everyone was very happy to help wherever something was needed. Thanks everybody for your good work! Something special this term was cooking a curry with our own garden grown pigeon peas - the curry was delicious!
We also prepared a wonderful green pawpaw salad which everyone loved - see recipe below. Enjoy! (Asterisk denotes ingredients you can harvest from the garden.)

**Ingredients:**
- 2 cups firm, green pawpaw* - grated
- 1/4 cup chopped green beans (or snow peas*)
- 1/4 cup carrots - grated
- 1/4 cup cabbage* - sliced into thin strips
- 2 tablespoons soy sauce
- 8-10 cherry tomatoes* - sliced in half
- 2 cloves garlic* - minced
- 1 small green or red chilli* - minced (some very hot ones in the garden, so be careful!)
- 1 teaspoon lemon or lime juice
- 1/2 teaspoon raw sugar or 1 tsp honey
- 1/4 teaspoon salt
- 2 tablespoons roasted macadamias (for the Australian version, normally it’s peanuts)
- Lettuce – for serving

**Method:**
Combine all ingredients, except macadamias and toss well. Mash together with a mortar and pestle. Chill for a couple of hours if possible. Add macadamias and serve cold on a bed of lettuce if desired.

**PS:** Welcome to the rain! The garden is happy.

Would you like to know more about engineering and what you can do as an engineer?
If you like designing solutions to problems, want to contribute to society and make a difference to the world, come see what engineering is about at the Experience It! student conference.

What you will do
It will be a day of fun, interactive hands-on workshops and team-based activities, exploring the peculiar and bizarre applications of engineering!

Hear from current engineering students and our industry representatives, learn what careers and opportunities are available to you and be inspired by their journeys and achievements.

Who is this for?
This conference is aimed at NSW secondary school females in Years 9-12. No prior engineering, maths or physics experience is required and students will have the opportunity to do workshops based on their areas of interest. You’ll also get to work as a team in challenges to win some great prizes!

Do you live or go to school more than 100 km from UNSW? You may be eligible for our Rural Scholarship to offset the cost of travels, please apply on the registration webpage.

Bellingen High School Literacy across the Curriculum

Bellingen High School is adopting a whole-school approach to literacy in order to improve learning outcomes for our students. Each fortnight, all students will be immersed in a literacy focus that will be initiated by English teaching staff and supported across the school in all Key Learning Areas. We would like parents/caregivers to be involved in this process by supporting appropriate use of literacy skills at home.

Last week and this week the focus is: **Conjunctions**

---

**What you Need to Know About Conjunctions**

There are two main types of conjunctions: **co-ordinating conjunctions** and **subordinating conjunctions**. They are used in different sentences and for different purposes.

Most importantly, **co-ordinating conjunctions** are used to connect two independent clauses and are therefore used in compound sentences. As indicated earlier in the information on compound sentences, co-ordinating conjunctions are almost always preceded by a comma.

**Examples:**

I put my baby down for a sleep, and she cried.
The rain stopped, and the sun came out again.
Should we go out for dinner, or should we just cook dinner at home?

The seven co-ordinating conjunctions are:

<table>
<thead>
<tr>
<th>For</th>
<th>But</th>
<th>Yet</th>
</tr>
</thead>
<tbody>
<tr>
<td>And</td>
<td>Or</td>
<td>So</td>
</tr>
<tr>
<td>Nor</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

When a co-ordinating conjunction is used to connect and independent and dependent clause, a comma is never used.

The boy ran to his room and cried.
Jane is a healthy and happy girl.
Should we have recess or play?

**Subordinating conjunctions** are always used in complex sentences to connect independent and dependent clauses.

Subordinating conjunctions emphasise the importance of the independent clause in the complex sentence, while the use of a co-ordinating conjunction in a complex sentence tends to equalise the importance of the independent and dependent clauses.
Subordinating conjunctions help to establish time, place and cause/effect relationship. They include the following:

- after
- although
- as
- because
- before
- even if
- even though
- if
- in order that
- once
- provided that
- rather than
- since
- so that
- than
- that
- though
- unless
- until
- when
- whenever
- wherever
- where
- whereas
- whether
- while
- why

The use of co-ordinating and subordinating conjunctions at the beginning of a sentence is not grammatically incorrect, but has been discouraged in the past. Sometimes, conjunctions can be used very effectively at the beginning of a sentence. And what’s the real harm, anyway? 😊

The only exception to this ‘rule’ is the conjunction ‘because’. A sentence can usually be rearranged to omit the use of ‘because’ at the beginning.

A final type of conjunction is called the conjunctive adverb. These connective words can be used very effectively at the beginning of a sentence to establish a link between ideas in extended writing.

**Examples include:**

<table>
<thead>
<tr>
<th>Accordingly</th>
<th>In addition</th>
<th>Otherwise</th>
</tr>
</thead>
<tbody>
<tr>
<td>Additionally</td>
<td>In comparison</td>
<td>Rather</td>
</tr>
<tr>
<td>Also</td>

Fabulous Futsal Results!

Bellingen High School Futsal teams dominated the recent Northern NSW Futsal Titles with fantastic results.

On Tuesday 12th August the girls’ teams travelled to Port Macquarie boasting teams in all divisions to take on teams from the Queensland border south to Taree and including both public and private schools. Teams had previously qualified through the Area Competitions held in Coffs Harbour and Port Macquarie earlier this year.

19 years girls   The 19s girls dominated the competition from the outset being undefeated in their preliminary rounds scoring 18 goals for and only 2 against. In the semi-final they played Taree High School and made certain of the game winning 5-0. This put them in to the final against the local Westport High School. This game proved a little harder with Westport not giving up. Captain Courageous, Jemara Imrie started the scoring finishing some great teamwork. Westport did score a total of 3 goals, however every time Westport looked like they could get back in to the game the Bello girls put another goal in. The final score 6-3 and the Bellingen girls are Northern NSW Champions.

16 years girls   The 16 year’s girls also dominated the preliminary rounds going through undefeated scoring 27 goals for and 5 against. This put them in the semi-final against Westport who they defeated 5-2. Unfortunately, they lost Jeannette Kambere in this game with a foot problem, which left them without her for the final against arch-rivals Wauchope High. Wauchope were to score first which put the girls in unfamiliar territory. Despite playing well and having many shots the girls only managed to get one in, while Wauchope scored one more, making them winners 1-2.

14 years girls   This young team is definitely developing into a strong unit. Despite playing without Captain Katie Thorn, who was playing in the 16s team, this team showed they have a bright future. Throughout the preliminaries they had to play a number of 16s teams and did extremely well, in fact they managed to beat a couple of them. Highlight of the preliminaries was defeating Bishop Druitt College 16s 4-1! In the final they had to verse Camden Haven High and displayed their dominance winning 4-1. Special mention must be made of two players, Jackie Kambere and Jordan Healy. Jackie scored 10 goals and Jordan 9 goals throughout the course of the day. This is an enormous effort for such young girls.
Having said that, it is important to recognise that all three teams play the passing game with excellent teamwork and this is the key to their success!!!

On the following day it was the boys turn to travel to Port Macquarie.

**19 years boys**  The boys took a while to find their feet as they lost two of their preliminary games. They improved throughout the day to win their semi-final and then have to take on Bishop Druitt College in the final. The final was tied at full time, which resulted in a penalty shoot-out! Thankfully the Bello boys did the job and are Northern NSW Champions!

**16 years boys**  The highly fancied 16s team went through the preliminary rounds undefeated and looked ready to take the crown. They won their semi and went on to play St Clair High in the final. In a game that displayed how close you can get without scoring the boys went down 1-2 in a close encounter.

As the top two teams qualify for the Australian Champions of Champions, all five teams qualify to compete in Queensland in November. This again makes Bellingen High School the strongest school in Northern NSW Futsal. Fantastic!

Proudly supported by the Bellingen Shire Council.
The theme for this year’s Mental Health Month, held annually in October, is Be YOUUnique! This theme aims to promote acceptance and understanding of each other’s individuality and celebrate our strengths and differences. Bellingen will be celebrating Mental Health by holding a youth based art exhibition at the Youth Hub, with a grand opening on Friday 10th October - this coincides with World Mental Health Day. We are calling out to all artists out there to contribute by creating an art piece in any medium - photography, sculpture, painting, poems, video; anything that encompasses the theme Be YOUUnique. The pieces will then be displayed to the public at the Youth Centre from 5pm on Friday 10th October, along with music, food, and a local guest speaker. We are also hoping to have businesses involved by displaying an art work of their choice in their shop window for the rest of the month!

Submissions can and must be made by Wednesday 8th October, along with an entry form which you can obtain from Magdalena Pomroy at the Youth Centre. Alternatively you can contact Bellingen Shire Youth Services through Facebook or phone 0437460856.

We’d love to see our community get involved in this important event!

Acceptable sports shoes

Unacceptable dress for Bellingen High School:

- Stretch skirts (this is not negotiable).
- Girl’s shorts that are too short.
- Ripped clothing
- Singlets, string shoulder tops as shirts, sleeveless shirts
- Low cut necklines or armholes, blouses/shirts that are indecent in a school environment; midriff tops (see skin, not in)
- Slogans or pictures excepting brand names (as in small pocket sized logo)
- No underwear as outwear (e.g. petticoats).
- Hoodies
- Coloured ties
- Long coloured / striped socks
- Sandals, crocs, thongs, high heels, ugg boots or slippers

Students wearing unacceptable dress will be either asked to change into school clothing or sent home.

Safety: NO long hanging bracelets, necklaces or earrings, excessively loose garments in practical subjects and sports activities.

Establishing and maintaining safe working environments is fundamental to the work of teachers. Footwear is an important safety item. Good soles provide a sound grip on the floor preventing accidents from occurring. Footwear can also protect feet from mechanical or chemical damage. DEC policy clearly states that it is mandatory that students carrying out practical activities using chemicals or equipment in schools wear enclosed leather footwear. This includes all Science, Industrial Arts and Home Economics classes.

Leather shoes can now be purchased for as little as $20. Leather skate shoes and leather joggers are now readily available trendy options other than the traditional school shoe.

We urge parents to provide their children with leather upper shoes so that we can meet our OH&S obligations.

Remember that if students are out of uniform they are required to bring a note from home AND/OR see the Deputy Principal for a red uniform slip.
