What's Gonski?
Gonski funding is designed to ensure that every Australian child, no matter what their background, can get a high quality education. Find out more here at http://www.igiveagonski.com.au/

How has Gonski funding improved educational outcomes at Bellingen High?

- Updating technology and devices at the school – from chalk boards to smart boards and data projectors for improved educational practices for 21st century learners.
- The employment of an Aboriginal mentor to work on Aboriginal education and provide Personal Learning Plans and support for Aboriginal and Torres Strait Islander students.
- Learning and Support teachers providing extra individual support for students.
- Increased professional learning opportunities for teachers.

What can I do to support Gonski?
Register your support for Gonski. We need Gonski to continue to fund all public schools to improve the educational outcomes for all students regardless of circumstance. Please register your support at http://www.igiveagonski.com.au/act_now#signup
The Bellingen Shire Education Alliance (BSBEA) is a strategic partnership building connections between business and education, and providing opportunities for its community and young people. Partnership members include Bellingen High School, Dorrigo High School, Bellingen Shire Council, TAFE NSE - North Coast Institute and Youth Directions Inc.

This month saw the launch of BSBEA's mentoring program where young people were matched with community mentors to support the development of career aspirations.

Back row (left to right) - Glenn Pleasance (Director of Schools Mid North Coast), Cindy Brasen (mentee parent), Jason Errey (Chamber of Commerce), Cr Steve Klipin (representing Bellingen Shire Mayor), Paul Holding (Principal Bellingen High School), Dean Besley (Bellingen Youth Hub), Megan Hill (NSW TAFE), Geoff Tosio (Bellingen Solar Depot), Hillary Cadman (Chamber of Commerce) and Michael Greave (Bellingen Shire Council)

Front row (left to right) – Bellingen High School Year 10 students - Minnie Coates, Teal Rees, Marni Besley, Leda Wells and Zoe Kenny

All Welcome!
Year 7 Indonesian News

Indonesian Music comes to Bellingen High

On Thursday 15th October, Wayan Daniel came to the school to teach Year 7 about Indonesian music and instruments.

Wayan Daniel introduced us to the main instrument which was the “Gamelan”, a small metal or wooden instrument that you hit with curved cone-shaped sticks. Then he introduced the “Gong” which was a big metal circle hit with a mallet. The “Ceng Cengs” were small metal bells that when hit together made a long ringing sound, and many others. There were kendangs (drums) in many different shapes and sizes, all the instruments were decorated with colours and flowers.

All students got to try them out and play a traditional Indonesian song with help from Wayan Daniel. In the end we sounded like a proper Gamelan orchestra and we’d like to say thanks to Wayan Daniel for teaching us these skills and tips which gives us an appreciation for traditional repetitious Balinese music.

Emily Ruming and Ebony Adams 7A
Down at the Ag Plot

A busy time in Agriculture with individuals and classes all achieving personal bests or starting new work.

In the last fortnight Year 10 students hosted some Japanese students, showing them how to prepare and lead our show cattle and taking them to Science and Mathematics lessons. The Year 10’s also prepared and served a sumptuous morning tea and cooked a BBQ lunch. The teacher in charge of the visitors commented on how the Bellingen students were so confident with their work and proud to display their skills.

These same students will be hosting a field day in the coming week for members of the local community, to demonstrate the rye grass trials that have been run at the school in conjunction with Valley Seeds from Warrnambool in Victoria.

Grace White from this Year 10 class also attended a three day Red Poll Breeders camp in Glen Innes during the last school holidays. Grace said that she learnt a lot
and I received a telephone call from the organisers who commended her on her efforts and attitude. Well done, Grace.

Grace also attended the Dexter Breeders’ training day in Macksville on Saturday 10th October in the company of Annalie Bardsley, Jazz Brightwell and Alana McBaron. The students took two of our Red Poll cows and their calves and led these animals with great skill.

At the Field Day there were demonstrations of rope halter making and how to butcher a beef carcase as well as judging and parading competitions. The girls won a number of seconds and we brought home some extra halters as prizes. Jazz Brightwell and Annalie Bardsley did very well in the judging, and Alana and Grace (pictured right) impressed with their cattle handling. For their first time to a show, Alana, Annalie and Jazz did an excellent job and impressed everyone that they met with their efforts and skills.

At school, Year 11 students have begun soil preparation for their HSC commercial crop which will be sweet corn, and Year 9 have started on their Tractor Driving and Farm Machinery unit of work, with Somali Luxford being the first to complete the initial basic driving test. The Year 9 and Year 10 students also completed shearing the sheep. Well done to all these students.

Farmer Nick
Science Faculty
It’s that time of year again - time to make movies!

Our 2015 Clappers film night will be on Friday 27th November - that’s Week 8.

For the uninitiated, the Clappers are Bellingen High’s Oscars, an evening of dress ups and movies. Prizes are on offer for films and the best dressed.

There are 4 categories:

😊 Minute me - a one minute autobiographic film that captures the essence of you, what you love, how you live, whatever, so long as it is 1 minute long and it’s about you.

😊 Documentary or mockumentary - a short film, between 3-5 minutes that discusses an issue, or portrays a special person or sport, or activity, anything really so long as it’s nonfiction, and it doesn’t have to be serious.

😊 A short fiction film - tell a story in less than 5 minutes, let your imagination run wild, it could be a crime story or a love affair, it could be a thriller or a comedy.

😊 A music video - get your friends together and have some fun shooting a video clip for your favourite song, if you’re really talented you could even sing it. You may use an app like Video Star to make things easier.

There is also a prize for The People’s Choice, voted for by the audience on the night.

Please ensure your movies are handed in by the end of Week 6, that’s the 13th November - you have two more weeks.

Come on people, get shooting! See Ms Lane for more details.

2015 Youth Art Prize

The Youth Art Prize is a great way for the community to celebrate the young talent we have here in the visual arts.

It offers them the opportunity to show their work in an art gallery and share it with the public, their peers and their families.
In addition they can also win prizes and if they wish, sell their works.

The Bellingen Council has given a small grant to assist with individual framing costs and the BCAC is running workshops in conjunction with The Hub and Bellingen Gallery and Framing Studio to help understand framing processes. Please note the deadline for entries is Friday 4th December

For further information on important dates, workshops, and conditions please go to the BCAC website www.bcac.org.au or www.belloyouthhub.net and talk to your art teacher.

Bellingen High School P&C Market Day Fundraiser

A Huge Thank You

The P&C would like to thank the small team of volunteers that helped at the last Bellingen Community Markets - your support was greatly appreciated.

Our team comprised of parents, our Principal, teachers, Bellingen High Captains and Vice-Captains and students.

It was especially great to have students keen to support their school!

We raised just under $1200 for the school which is a great result!

The winner of our “Thank You for Donating” Hamper was a couple from the Great Ocean Road - Don and Nellie

We hope more people will be able to help next year. The more the merrier plus it reduces the time given up by those volunteering.
Learner drivers under 25

- Must have at least 120 hours of supervised on-road driving experience, including 20 hours at night time;
- One hour of structured driving tuition by a professional driving instructor will count as 3 hours in the Learner Driver Log Book to a maximum of 10 hours counting as 30 log book hours.
- Must hold an L licence for at least 12 months.
- For L and P1 drivers mobile phone use is prohibited, even hands-free or loudspeaker.
- Learner drivers are now allowed to travel up to 90km/h instead of 80km/h.

Tips for Parents

- Safe driving takes time and practice – it is more than just operating a vehicle.
- Plan for a variety of driving experiences (e.g. different road conditions, weather conditions) and vary the time of day.
- Shorter drives can be useful early on.
- Reduce the risk of distraction (e.g. turn off mobile phones)
- Keep instructions short and clear.
- Be positive and acknowledge when your teenager does well rather than criticise.
- At the end of a drive reinforce achievements and discuss areas to work on.
- Real on-road driving experience is more beneficial than ‘advanced’ or ‘defensive’ off-road driver training.
- You and your young driver should read the Road Users Handbook (NSW road rules) and understand the licence conditions.
- For helpful information, attend a free ‘Helping Learner Drivers Become Safer Drivers Workshop’ in your local area. Contact the Roads and Maritime Services on 132213, visit www.rms.nsw.gov.au or check your local Council’s website.

NEW Safer Driver Course for Young Drivers

The Safer Driver Course helps young drivers understand more about speed management, gap selection, hazard awareness, safe following distances as well as preparing them for their Ps. They will receive 20 hours log book credit once they have completed the course.

To attend the course drivers must have a learner’s license, be under 25 years old and have completed 50 log book driving hours (not including 3 for 1 structured professional instruction)

The Safer Driver Course costs $140. It comprises:

1. A 3 hour group discussion module with other learners about managing risks on the road
2. A 2 hour in-vehicle session with a coach and another learner to learn a range of practical safe driving behaviours. For more information about the Safer Driver Course see www.saferdrivers.nsw.gov.au or call 132213 to find out where the closest Course Provider is located. Also see promotion video on you tube.
Supporting Provisional Drivers (P1 & P2)

- A P1 licence must be held for at least 12 months.
- After passing a hazard perception test, drivers progress to the P2 licence for a minimum of 24 months.
- P1 drivers may drive up to 90km/h and for P2 drivers 100km/h
- A zero blood alcohol limit applies to all L, P1 and P2 licence holders. This means NO ALCOHOL before driving.
- For P1 drivers mobile phone use is prohibited, even hands-free or loudspeaker. P2 drivers can only talk on a hands-free phone when driving; no text messaging.
- P1 drivers under the age of 25 can only carry one passenger under 21 between the hours of 11pm and 5am (some exemptions apply).
- From 1 August 2014, there are new rules allowing P-plate drivers to drive a wider range of turbo, supercharged or V8 vehicles. This means an extra 6500 vehicle models will be available. Some vehicles are still banned, but these are high performance and risky in the first few years of driving. For more information about the new rules for turbo, supercharged and v8 vehicles, see the Roads and Maritime Services website (www.rms.nsw.gov.au)

Tips for Parents

Remember your teenager is still very new to driving. Continue to encourage safe driving by:

- Ensuring they organise their time so they can stick to posted speed limits and adapt to driving conditions, such as rain.
- Getting them to plan their night before they leave.
- Ensuring they observe their license conditions.
- Slowly increasing the amount of independent night driving – this is a time when young drivers are more likely to crash.
- Gradually allowing them to increase the number of passengers in the car once they have progressed to the P2 stage.

Before your teenager goes out, particularly when partying, spend some time discussing options for getting home safely. Some ideas for young people to consider:

- Leave the car at home.
- Catch a bus – check timetables to avoid waiting times at bus stops.
- Catch a taxi: a shared maxi taxi is a cheaper option
- Stay overnight with a friend.
- Arrange to be dropped off and picked up by a parent or other responsible adult.

Also discuss:

- Driving alcohol and drug free.
- Dealing with pressure from friends to drive in an unsafe manner.
- Being a responsible passenger.

Jon Winfer
Year 11 Advisor
A reminder to Year 12 that **EAS (Educational Access Scheme)** applications close on Monday 30th November. EAS helps students who have experienced long-term educational disadvantage gain admission to tertiary study. Categories of disadvantage include:

- disrupted schooling
- financial hardship
- home environment
- English language difficulty
- personal illness/disability
- refugee status
- school environment

**AIOVT training** is providing a 7 week hospitality course in BELLINGEN which starts next week for school leavers/Year 12 students. It will involve 15 workshops (3 in the first week and 2 days per week for the next 6 weeks), and includes a work experience component which is designed to not only give the students the real life practical skills but also a chance to showcase their new skills and hopefully lead to some ongoing work.

Course costs are:  
- Indigenous, disability or carer $0  
- Concessional student $240  
- Non concessional student $640

This gets participants a full certificate III in Hospitality including RSA, RCG, First Aid, Barista and 11 other units.

For more information call Paul Reynolds, Director & Lead Trainer on 0439 428 517 or check out [http://www.aiovt.com.au](http://www.aiovt.com.au)

**Year 11**

Students who are CONTINUING with a TVET course in 2016 should have completed a continuation form and handed this to their TVET teacher. Mrs Gorman also needs to know if you are continuing with your TVET course, otherwise you may miss out.

**Important dates for Year 11**

- 9 November  
  RRISK Seminar
- 3 and 4 December  
  Queensland Universities Excursion
- 15 and 16 February 2016  
  Crossroads Camp at Coffs Harbour
Year 10

Work experience forms are now due and many students have managed to find exciting, worthwhile placements! Please contact Mrs Gorman if you need help finding a suitable employer before it is too late! Students will receive photocopies of their paperwork and work experience log books within the next 2 weeks.

There is a School Based Traineeship in Business Services available to students in Year 10. See advert on following page.

Years 8 & 9

TAFE are offering a Certificate II in Skills for Work and Vocational Pathway course one afternoon a week next year in Bellingen. It will be free of cost. Students need to be 14 years and 9 months old at the start of the course. Students will need to meet school requirements. This is an excellent opportunity for those thinking of future careers in trades or similar. Please contact Mrs Gorman for more information.

Girls Netball

After a wet and overcast start to the day and a last minute venue change to Sportz Central, the Bellingen High School U15 girls’ netball team came ready to compete. We were lucky enough to have Orara High School in our first game. Our team looked fantastic in our hot pink bibs and netball to match.

We had a nervous start, we found ourselves down by 4 points at quarter time. Many of the girls had not played on the Sportz Central netball court and were finding the markings quite confusing.

Co-coaches (Taylor and Tuhi) then decided that some positional changes were needed, new players came on from the bench and positional changes were made at the attacking and defensive ends.

The girls were starting to settle into the game and it was very close at three quarter time.

In the last quarter the game became extremely close and then Bellingen High took the lead for the first time in the game. The teams were goal for goal with our girls winning 36-34. Congratulations must go to Willow Berry who shot 10 goals in a row (without missing 1), and a big thanks to the Toormina High School cheer squad.

Our second game was against Woolgoolga High. The girls played really well but we were convincingly beaten 50-6.

Congratulations to all the girls in the team - Willow Berry, Sophie Keough, Katie Thorn, Aoife Carey, Lauren Rigney, Coco Daro, Gypsy Rose-Eggins, Eve Matthews, Eloise Hiller-Stanbrook and Amelia Stehn.

We were very proud of their commitment, sportsmanship and fair play.
There are lots of people to thank - thank you to Maia Berry in Year 10, who did an outstanding job refereeing games throughout the day; thank you to the parents that provided transport on the day; a big thanks must go Ms Sissiel Tuhi who helped co-coach the team and many thanks to the P&C for providing the funds for the marking of our outside Netball court at the School.

We are looking forward to 2016 and netball at Bellingen High School.

Yours in Netball
Julie Taylor/Sissiel Tuhi
Supercoaches
Cricket Girls Gain Experience

A brave team of 11 girls travelled to Grafton to take on the very experienced South Grafton High School in round two of the State Knockout in Cricket. In fact, despite this being an Open Girls team all of the Bello girls were 15 years and under. This was an opportunity to gain valuable experience for the future.

Captain Katie Thorn won the toss and decided to bat. Katie and Hannah Watt opened the batting and things were going nicely until the end of the 6th over when Hannah was bowled and very quickly the score went from 0 for 20 to 3 for 20 in the next over. Jasmin Nolan and Jazz Brightwell showed some resistance however, wickets continued to tumble to see the girls all out for 53.

With such a small total to defend the girls needed to bowl very well against this experienced team. There was some good bowling and good fielding, however, not consistent enough. South Grafton passed our score losing only 2 wickets. Taya Kostka clean bowled one opener and Jazz Brightwell caught a great catch off Jasmin Nolan’s bowling to dismiss the other opener.

The girls will definitely benefit from what they learnt from this experience. Work needs to be done on running between wickets and consistency in bowling before the 14 years team have to also play South Grafton in early November.

Alcohol and other drugs - An update for those who work with young people

FREE PRESENTATION

Paul Dillon is the Director of Drug and Alcohol Research and Training Australia (DARTA) and works with young people across the country and internationally. With a broad knowledge of a range of content areas, Paul regularly appears in the media and is regarded as a key social commentator, with interviews on television programs such as Sunrise, TODAY and The Project. Paul is the keynote speaker at the 2015 RRISK seminars.

This information session aims to provide those working with young people some basic information on current youth AOD trends in Australia. Attempting to sort out ‘fact from fiction’, information on a range of both legal and illegal drugs, as well as current ‘hot topics’ of the day will be provided. Some of the issues that will be examined include:

- Methamphetamine and the ‘ice epidemic’
- New trends in ecstasy
- Changes in the ways people are purchasing drugs – i.e., the internet as a drug dealer
- Roadside drug testing (RTD) and implications for the Mid and Far North Coast of NSW

Where: Southern Cross University, Coffs Harbour, Auditorium (D block)
Date: Thursday 19 November 2015
Time: 4.00pm—6.00pm
Bookings are essential
Please RSVP by Friday 13 November 2015

Learners, the Safer Drivers Course is coming to Bellingen

Set yourself up for a lifetime of safe driving by completing the Safer Drivers Course at the Bellingen Shire Youth HUB on December 5. We'll prepare you for your P1 licence by teaching you essential on road skills, and on completion you'll gain 20 log book hours' credit. So you'll not only be a safer and more independent driver, you'll also be 20 hours closer to earning your licence.

The Safer Drivers Course is available to NSW Learners under the age of 25 who have driven a minimum of 50 hours in their logbook.

Ask the friendly people at the HUB how to enrol or head to nrmasaferdriving.com.au/course for more info.

Brought to you by The National Roads & Motorists’ Association
