I would like to take this opportunity to thank Jody Newhouse for her organisation and staff delivery of the FUTURES Program for our Year 10 students. The range of activities, obvious enjoyment of the students involved and the range of activities that may normally be out of reach of many students was outstanding. It was great to see our community come to our school and partner with us to provide these opportunities. Check the school website out for all of the great action photos. Work Experience is next for Year 10.

Deanne our Canteen Supervisor has broken the news to us that she will be moving on next year to take up another exciting work opportunity. You may have seen that we have advertised the position of Canteen Supervisor, applications closed today. A panel will be formed that includes parent representation; this panel will evaluate the applications. In the two years I have worked with Deanne she has made the Canteen a happy place that welcomes kids, parents, puts a hand out to those in need and turned the financial position around to a small but very satisfying profit.

Next year there will be some changes to our school curriculum and organisation. I mentioned to the students at Tuesday’s assembly that we will not have roll call in 2016. Students will go directly to Period 1. During this time school and class rolls will be marked with the one online process and daily organisation messages read out. RATS (Reading Across the School) will be on Wednesdays only following Period 2. Recess, Lunch 1 and Lunch 2 times will be standardised to 25 minutes. These changes reflect our school’s strategic direction strategies - Organisational Effectiveness and High Level Student Engagement.

Finally, I had the pleasure to attend the Year 12 Formal at Opal Cove on Friday 13th November. It was fantastic to see our Year 12 students together with family, friends and staff of Bellingen High enjoy an evening of dressing up – everyone looked great. A large number of awards were presented - a list of the recipients follow. I wish Year 12 all the best with their HSC results.

Year 7 Information Technology

Year 7IT has been busy this term working on the creative and personalised side to computing. They have completed the following tasks:

😊 A word processing task involving the creation of the students own “Take Away Food/Drink Shop”.

😊 A business spread-sheet including employee names, hours worked, pay per hour and a total wage bill.

😊 A ‘Moving Sale’ promotion, including generous discounts of shop products ranging from 20-80% off.

😊 Using ‘Paint’ students were given artistic freedom to create their own paintings that would hang in their shop. Some excellent results occurred with some budding young artists revealing their hidden talents.

😊 Students were encouraged to redesign a current company logo or create a newer version of it. Reinvention of the whole logo with the students own ideas used, produced some fascinating results.

All 7IT students should be very proud of all work completed this semester. Excellent pieces of work have been produced by everyone. Keep up the good work!

Sigrid Van Dam - IT Teacher
Last week Year 10 participated in the FUTURES Program. It was a real eye-opening experience that gave us so many options for future pathways.

Some people enjoyed Quad Biking with TAFE and others learnt how to bandage people up and apply lifesaving First Aid. We now have some great little baristas thanks to Amelia Franklin and some amazing chefs from Go Italian with Mrs Hayward.

About 60 students travelled to TAFE to complete a range of TAFE taster courses including Hair & Beauty, Animal Studies, Horticulture, Gaming and Childcare.

Some of our fabulous teachers also ran expert classes that were interesting and fun – Joy of Singing with Ms Lackey, Travelling Overseas with Mr Kingsley, Study Know-how with Mr Neville and Mosaics with Ms McAuley…..just to name a few.

There were also a range of free courses run by people in the Coffs Harbour/Bellingen community. Some of the popular ones included Fire Fighting, Stress Management, Safe Driving and Personal Training and Fitness workshops by Coffs Harbour Health Club.

This wonderful week ended with a tasty barbeque and ice-cups to cool down on the very hot 40°C day.

It was a very successful program overall and a special thanks needs to be given to Mrs Gorman and Ms Newhouse for all their hard work and dedication to offer this program each year to Year 10.

Year 12 Business Studies

On Friday 6th November, the Year 12 Business Studies class ran their business “Pancakes & Shakes” for the very first time! It was a successful day all round, at times a teeny stressful for some, but otherwise an excellent learning experience for the students; it gave them the practical skills and knowledge to run a business in the real world.

Year 12 Business Studies would like to thank everyone who made the day possible, particularly Deanne in the Canteen, Ms Jeanes and the teachers in TAS, the GA’s, and of course, the students who volunteered on the day. The pancakes were delicious resulting in lots of full bellies across the school!

Visiting Artists Workshop

A big thank you to Luncie and Karlee from Big Fig Arts for delivering our second visiting artists workshop to Year 12 and Year 9 art students. The afternoon was spent exploring the expressive form of drawing using a live model - thanks Nadja Birch for inspiring us!

Year 7 Indonesian News

On Wednesday 11th November, Year 7 Indonesian students were lucky to have a well-known Indonesian dance teacher visit Bellingen High School. Ibu Bibi Ahmed is a teacher at Scotts Head who has been instructing Indonesian dance for many years.

The Indonesian room came alive with Indonesian music and colour. The students were able to dress themselves in the traditional wide-legged black pants, a sash to keep them from falling down and a wrapped headdress. Once the scene was set, the dancing started.

Ibu Bibi taught the students a traditional Randai. Randai is a folk theatre tradition of the West Sumatran people. It includes music, sound/song and Silat (a type of martial arts incorporating body percussion and beating on the wide-legged pants).

After learning a variety of moves, Year 7 students created rhythmic patterns and traditional segments, putting the movements altogether to create energy, sound and dynamism in the dance.

What a fun, exhausting time they had!

Bellingen High School took three teams to the Australasian Champion of Champions held in Brisbane from 6th to 8th November. All teams played well at the highest level in Australia for school teams.

The 16 years girls' team performed exceptionally well. In the preliminary games they defeated Downlands College 4-0, drew with Assisi College 2-2, lost to St Monica's 1-2 then defeated Keilor Downs College (in their best game) 10-2 and finished their preliminary games defeating Coffs Harbour High 5-2.

This left the girls in second place overall and had to play St Monica’s in the semi-final. This time the girls left nothing to chance and defeated St Monica’s 3-0.

Now they had to take on Assisi College who had gone through the entire competition undefeated. The game started at a fast pace and the Bello girls seemed tired after three days of competition. This wasn't to be their final and Assisi won convincingly.

Runners-up at this level of competition is a really amazing achievement. This team is a team of outstanding players who all work well together. One sign of a good team is that goals are shared around and this is the case with Katie Thorn 9, Willow Neal 8, Moala Mackenzie 4, Jordan Healy 3, Ochre Pastro 2, Jazz Brightwell 1 - all managing to find the net.

Pictured - Back row - Hannah Watt, Jordan Healy, Jazz Brightwell, Katie Thorn
Middle row - Ochre Pastro, Moala Mackenzie, Willow Neal
Front row - Gaia Malcisi
Special mention must be made of Moala Mackenzie who was picked in the All Stars team voted by opposing coaches and also young Willow Neal (only 13) who stepped up to this age group when we needed another player.

The 19 years girls started the competition slowly but still managed to finish the first day with one win and one loss. The second day saw them play together so well against stiff competition. Things seemed back on track when they lost Jess Marks due to injury and then Sam Barker also due to injury. With two key players out the girls had to win their last game on Sunday morning against Erindale College from the ACT. The girls really lifted and the score was 0-0 with 30 seconds to go when the ball slipped in past the keeper.

The girls missed the semi but can be so proud of their efforts. Gita Pastro, Sam Barker, Alex Jandzio-Fry, Amelia Brewin and Jess Marks all played their last game for Bellingen High School and they will be missed after many years of outstanding competition. We wish Jess and Sam a speedy recovery.

The 19 years boys also started the competition slowly drawing with Taree High 7-7, a team they should have beaten. They improved as they went through the competition showing what they are capable of doing. They had to win their last game against the top ranked Chancellor College to make the semis and certainly gave them a run for their money. The boys say good bye to Jack Martin but the rest are still able to play next year – watch out Chancellor!!

**Girls Cricket**

A bright, young group of 14 years and under girls took the field against Grafton High School at Connell Park on Tuesday 17th November – many for their first game ever. Grafton chose to bat and struggled to score runs off the bat due to great fielding by the Bellingen girls. While the fielding was great the bowlers struggled giving away many wides and no-balls. Grafton were 6 for 83 at the end of their 20 overs.
The Bellingen girls started their batting strongly with the two openers, Jasmin Nolan (18) and Eve Matthews (8) looking good. After 7 overs the girls were 0 for 36, but that’s when the tide turned. Wickets fell at regular intervals and Grafton were not very generous with their extras and the girls were all out in the 14th over for 63. Even if they had managed to bat through the 20 overs they should have won. Still it was a good game for the girls and they learnt a lot.

There’s always next year!

SUNDAY AT THE PICTURES
NOVEMBER 29
BRINGING CINEMA BACK TO BELLO

11AM SOME LIKE IT HOT
Dir. Billy Wilder | 117mins | PG
The quintessential 1959 madcap comedy from legendary director Billy Wilder, finds Jack Lemmon and Tony Curtis on the lam and in drag, befriending the dazzling Marilyn Monroe along the way.

(Join us from 10am for ‘Cine Classics’ morning tea prior to the film - feel free to bring a plate!)

“One of the greatest American comedies in cinema history.”
— The Motion Picture Guide

1:30PM MOOMINS ON THE RIVIERA
Dir. Xavier Picard | 77mins | PG
Tove Jansson’s lovably eccentric characters, the Finnish bohemians, teach the superficial in-crowd a thing or two about life and art in this cleanly hand-drawn, beautifully coloured animation.

A refreshing change from modern animation, the Moomins have taken the world by storm!

“The perfect antidote to noisy modern kids’ cartoons”
— Time Out

4PM IRIS
Dir. Albert Maysles | 80mins | M
Fresh from sell-out audiences at the 2015 Sydney and Melbourne International Film Festivals, IRIS pairs legendary documentarian Albert Maysles (Grey Gardens, Gimme Shelter) with Iris Apfel, the quick-witted, flamboyantly dressed 93-year-old New York style icon and muse.

“It’s like time spent with your coolest, funniest and most sage aunt”
— New York Daily News
