From the Principal

It's great to be back at school and see our students return ready to get another year underway.

This year we have a new group of Year 7 students and a number of new enrolments in all other years. It is an exciting time for them and their families and I would like to wish them the best for the start in their new school.

There are a few changes to what we do and how we do things this year. We also have a number of new staff. I will over the next few weeks introduce you to these changes via the Newsletter and of course, by informing our students.

Our new staff includes Damian Livermore (SRE), Sam Cross (HSIE), Andy Core (HSIE), David Montgomery (Science) and Karen De La Kruz (Canteen Coordinator). These people will be introduced in more detail in future newsletters.

This year we will run Roll Call during Period 1 each day for all students. This means we will reduce movement about the school and increase in-class time. I need all students to be here for a 9am start in class. This will impact on students who are dropped off each day by parents. An 8.50am drop off will give students just enough time to make class on time.

Thanks to all parents who have purchased new uniform items this year. There have been some difficulties with the arrival of some new uniform items. Lowes at Toormina have been very helpful and we are trying to be flexible here at school. Hang in there - our uniform changes are great. I will keep the students informed and send out information to parents as it comes to hand.

I hope this year is a great year for your family and our kids have an enjoyable and productive year at Bellingen High School.

Year 6 2015 Formal Catering

Year 12 Hospitality catered for the Bellingen Public School’s Year 6 Formal on Tuesday 8th December. Many lessons were dedicated to preparing the menu and arranging the logistics, suitable for the young clients at their school. We had a massive day preparing the food for the 3 course menu.

During the afternoon, all food and equipment was transported up to the primary school and the plating up begun. Great feedback was provided by the primary school and the students and Miss Jeanes worked hard to execute a professional function.

Welcome Year 7!

Welcome to parents and Year 7 students to the first of a series of Newsletters and updates designed to keep you informed about important details that will assist in the transition to high school.

Beginning high school can be daunting, so we want to assure you that much planning has gone into making the transition from primary to secondary school as smooth as possible; academically, socially and emotionally. Please be reassured that Term 1 is all about settling into new routines, and new friendships, and of course, attending extra-curricular activities such as the Year 7 Transition Day on Monday 8th February at the Coffs Coast Adventure Centre, which we are really looking forward to! This excursion has been planned to supplement work being done in the areas of peer support, leadership and orientation with all peers.

We have already formed a very positive impression of the students in the Year 7 cohort and look forward to your support in fostering their enthusiasm and positivity throughout 2016 and beyond.

Bellingen High School P&C Association

We look forward to seeing you at our first meeting on Monday 8th February – 6.30pm
From the English Faculty
Welcome to English in 2016!

Here are some things students and teachers can do to be successful in English:

😊 Have plenty of reading time. Years 9 and 10 are starting with novels. Years 7 and 8 will be working on fiction a little later on.

😊 Get organised and stay organised. Keep neat notes and keep your notebook in good order.

😊 Words are powerful and entertaining. So are ideas! Have great conversations with friends and family. Read and talk about things that matter to you. Argue about things in the news. Sing songs with interesting lyrics.

Year 12 Crossroads Camp

A reminder to our Year 12 students about the Crossroads Camp at Coffs Coast Adventure Centre on 15th and 16th February. This highly beneficial camp will address issues of health, safety and wellbeing as well as workshops on Study Skills, Career Planning and Applying for University. There will also be outdoor activity sessions including commando courses, high ropes, giant swing and mega drop!

Final payment of $100 is due by Friday 5th February. Spare permission notes are available from the Front Office.

School Fees

Student invoices will be mailed home within the next few weeks. Thank you to families who have promptly paid. Please remember these subject fees cover the cost of sundries to be used in class therefore prompt payment is appreciated. Accounts may be paid in full or whatever can be afforded to you each week/fortnight/month. We also have Eftpos facilities available for convenience.

Attached to this Newsletter is a 2016 Fee Sheet. Please note that some amounts are subject fees only and will be increased by an extra amount depending on the projects/excursions undertaken.
We have available to any parents (who are not already on our list) the ability to email you our fortnightly Newsletter. The emailed newsletter is on our school’s website and is in colour so it is worth receiving.

Parents will need to provide their email address to us and remember to check your inbox. We will continue to produce a paper newsletter every fortnight that will be delivered via your child to you.

Please complete the email slip below and have your child return it to the Front Office.

Uniform

The Bellingen High School uniform has been agreed on following extensive community consultation and is supported by the P&C, Student Representative Council and Staff. It is expected that students will be in full school uniform at all times unless they’re involved in an approved activity that does not require the uniform to be worn.

Students who have approval to be out of uniform are required to comply with the dress code that includes being neat and tidy with shirts that have a collar and sleeves. Fully enclosed shoes are to be worn at all times. The following items are unacceptable:

- ripped clothing
- singlets
- string shoulder tops as shirts
- sleeveless shirts
- low cut necklines or armholes
- midriff tops
- jumpers with hoods and slogan pictures

During 2016 and 2017 the uniform policy will be in a transitional phase. At the commencement of the 2018 school year the new revised uniform will become the school uniform and all changes will be implemented as policy.

Footwear:
Establishing and maintaining safe working environments is fundamental to the work of teachers and students. Footwear is an important safety item. Good soles provide a sound grip on the floor preventing accidents from occurring. Footwear can also protect feet from mechanical or chemical damage.

Department of Education policy clearly states that it is mandatory that students carrying out practical activities using chemicals or equipment in schools wear enclosed leather footwear. This includes all Science, Industrial Arts and Home Economics classes. Our commercial stainless steel kitchen is in operation and no student will be allowed in without leather footwear.

The shoes pictured right are all deemed unsafe.

Students who attend school with inappropriate footwear (e.g. thongs, crocs, scuffs slip-on sandals without a strap, high heels, ugg boots or slippers) may be isolated from practical classes, or sent home to get more appropriate footwear. In all cases, it is best for students to have an explanatory note from home AND report to the Deputy Principal’s office before school to get a Red Uniform Slip.

**Did you know?**

😊 Each of us generates about 3.5 pounds of rubbish a day, most of it paper.

😊 It has NEVER rained in Calama, a town in the Atacama Desert of Chile

😊 There are no clocks in Las Vegas gambling casinos

😊 The human tongue tastes bitter things with the taste buds toward the back. Salty and pungent flavours are tasted in the middle of the tongue, sweet flavours at the tip!

😊 When you sneeze, air and particles travel through the nostrils at speeds over 100mph. During this time, all bodily functions stop, including your heart, contributing to the impossibility of keeping one’s eyes open during a sneeze.

😊 Most Egyptians died by the time they were about 30.
