The battle between the two Engineering classes is on. The Ashes Trophy has been replicated with our 3D printer and the burnt remains of the loosing aeroplane in the first 'dogfight' have been sealed inside. So far this term Year 9 Engineers have been designing and building planes and looking at the mechanisms that make them fly. The top eight plane designs will be chosen and these students will travel to Macksville later this term to compete in the state-wide Aeronautical Velocity Challenge with offers $4500 in prizes.

Pictured is Demian Eberding who won the paper plane contest and is also one of the team who designed this prototype model plane.
**Year 7 make some great jewellery**

Many creative timber, metal and leather combinations are being crafted by our technology students.

---

**From the English Faculty**

**Assessment Tasks**

The following assessment tasks are being prepared for by students in their English classes:

- **Year 7:** Autobiographical writing - due in Week 7.
- **Year 8:** ‘Listening and Viewing’ task on their film - to be done in class in Week 7.
- **Year 9:** Will receive information in the coming week. It will be creative writing, due in Week 8.
- **Year 11:** Short answer writing on ‘Belonging’ – in class Thursday Period 4 Week 6.
- **Year 12:** ‘Viewing and Representing’ task - due Week 8.

---

**Visit from “Rolling Success” John Coutis**

‘Rolling Success’ John Coutis is a man on a motivational mission to prove that, “if he can...you can!” Bellingen High School students were fortunate enough to have a visit from John on Thursday - information and photos in our next Newsletter.

**Science News**

**Eating deep time**

Year 12 Earth and Environmentalists dug their way through jelly stratigraphy (pretend rock layers) to uncover a range of interesting lolly ‘fossils’. Fun was had by all!

---

**From the Principal**

We have started the year with a new Canteen Supervisor. Karen De La Cruz who has introduced a new menu, surveyed students for their suggestions and placed plenty of information around the exterior of the canteen to help students with their choices. The response from the students has been great with long lines at lunchtime and plenty of compliments about the menu. Senior students who have offline lessons during lunch need to order their lunch so they can pick up and be in class on time.

It has been great to see the new junior school uniform being worn by an increasing number of students. Feedback has been overwhelmingly in support of the changes. Thanks to parents for being so flexible with the delay of availability for some pieces of the uniform. Remember that black jean shorts are not uniform.

The issue of parking has come up again due to a few safety concerns. These include parents driving up the hill to the Front Office to drop their kids off, parking in disabled parking spaces and the speed of entry especially from the Crown Street entrance. If possible could everyone who drives a car to school please keep in mind the basic requirements of appropriate parking places, patience and speed limits. With this we should have room to park and be safe in the school grounds.

This week we had an evacuation practice that went very well. Students were very cooperative and understanding of the need to undertake these activities. As always we are reviewing our procedure to ensure if in case of a real emergency we will be able to respond effectively.

-Paul Holding
Deputy Principal Update
Year 12 Parent/Teacher Evening

The time has come for our Year 12 Parent/Teacher Evening which will take place on Monday 29th from 4-7pm in the School Library. This year, we have introduced an online booking system which will enable you to book a meeting with the teachers of your son or daughter. This will replace hard copy booking sheets. Attached to this Newsletter is a copy of the procedure. Since this is the first time we have used the system, I would be very interested in your feedback so that we make it work the best it can to optimise opportunities for you to talk with teachers. If, for any reason, you are unable to attend the evening, please don’t hesitate to call and speak personally with teachers.

This is the second term of Year 12 work for our Year 12 students so it is timely that you know how you can help with HSC studies and assessments. I look forward to seeing you on Monday night.

Lateness to School

It is worth noting that every day at school counts and poor attendance at school can have a wide ranging effect on student performance. Students who are late to school are actually missing great chunks of learning in perhaps the most productive learning time - the morning. I urge you to work with us to ensure your son or daughter is at school on time and that if they are late, it is because of something unavoidable.

Senior Student Privileges

Our Year 11 and 12 students have several privileges at our school including being able to park on school grounds, not having to wait in line at bus bay, access to a senior study room and access to the Library on all days (except when our Librarian is on Teacher Professional learning), after school and lunch time classes so that they can space their learning over the week as well as being able to sign in and out during the day (as long as they attend all classes). Senior privileges, in particular the last one, DO NOT apply to students in year 7-10. As such, I ask that you support us in ensuring that junior students do not leave school grounds without permission during the school day.

Teacher Professional Learning

On Monday night our staff stayed back and did some practical training on the Gumbaynggirr Ways of Learning. The training was led by Elder Michael Jarrett assisted by Wiradjuri woman Jenni Farrands together with Fiona McAulay. Our staff enjoyed the evening and gained much insight into the cultural teachings and learning relevant to our Indigenous students. A crèche was also provided by two students, Katelyn Woods and Selva Paz who did a fantastic job.

Ms Dot Panaretos
Competitions Students Can Enter!

In 2016, Bellingen High School will provide the opportunity for students to challenge themselves in a number of competitions. Upcoming competitions include:

- ICAS Competitions – (Digital Technology & Science – see below)
- Australian Geography Competition – (see below)
- Australian Maths Competition – (see Mr Webb in the Maths Department) - $6.00 per student.

ICAS COMPETITION OVERVIEW

The International Competitions and Assessments for Schools (ICAS) is an independent, quality skills-based assessment program which rewards and recognises achievement. ICAS gives insight into student performance across English, Mathematics, Science, Digital Technologies, Spelling and Writing.

When students take part in ICAS assessments, ICAS can track their learning as they progress from year to year. It also helps us identify potentially gifted students and those who may need more focused and purposeful teaching to achieve their best.

Each student receives:

- an engaging and challenging full-colour test booklet
- an individual diagnostic report highlighting strengths and weaknesses and year to year progression
- login details to access their online results which can be analysed and downloaded
- a High Distinction, Distinction, Credit, Merit or Participation Certificate acknowledging their level of achievement
- the chance to receive an individually-engraved UNSW medal for the highest scoring student in each year level for each subject.

To learn more about ICAS go to www.eaa.unsw.edu.au/icas/about . EAA also has some very helpful tools to help your child prepare. You can access practice assessments at www.eaa.unsw.edu.au/icas/preparation. Please see below for upcoming competition dates and costs.

ICAS Competition – Digital Technology

General Digital Technologies draws from a range of curriculum areas and focuses on a variety of computing contexts, including: Common operating systems and hardware, Graphics and multimedia, Internet and email, Programming and scripting, Spreadsheets and databases, and Word processing. Open for students in Year 7 – 10.

Closing Date: Tuesday, 5 April 2016
Year levels: 7-10
Cost: $8.80 per student
ICAS sitting Date: Tuesday, 17 May 2016

ICAS Competition – Science

Scientific skills in the subject contexts of Earth and Beyond, Energy and Change, Life and Living, Natural and Processed Materials. The skills are from the following areas: Interpreting data, Investigating, Measuring and observing, Predicting/Concluding from data, Reasoning/Problem solving. Open for students in Years 7 – 12.

Closing Date: Tuesday, 3 May 2016
Year levels: 7-12
Cost: $8.80 per student
ICAS sitting Date: Tuesday, 31 May 2016
AUSTRALIAN GEOGRAPHY COMPETITION
The Australian Geography Competition gives students the chance to compete for some really great prizes including: overseas trips to represent Australia in the International Geography Olympiad in Belgrade, Serbia in 2017; trips to North Stradbroke Island, QLD in 2016; books; medals; and certificates and medals.

The competition consists of multiple-choice questions testing geographical knowledge and skills. The question and answer sheets are supplied. The competition takes 35 minutes and the answer sheets are returned and marked. The competition is run at school; entries are open to students from Year 7 to Year 12.

Closing date: Friday, 8 April 2016
Year levels: 7-12
Cost: $4.00 per student
Competition in schools: Monday 16 – Friday 27 May 2016

If you have any questions regarding any of these competitions, please contact Amber Hill.

Amber Hill
Gifted & Talented Coordinator
What a very busy start to 2016. Five weeks have already flown by and Year 7 is settling into all their variety of classes. As a year group students have participated in the Swimming Carnival with some of the Year 7 students going onto the Zone Carnival.

Year 7 also attended a very full day Orientation Camp on Monday 8th February at the Coffs Coast Adventure Centre. Everyone had a great time and activities included the Commando Course, Canoeing, High Ropes and MegaDrop. Students participated well and there were plenty of heart stopping moments for the students. Below are a variety of pictures from the day.

Looking forward to working with all students.

Success after the Mud Mile

Mrs Karen Hayward
Year 7 Advisor
Year 7 Vaccinations

All Year 7 students have been issued with information packs regarding the upcoming school vaccinations program. Each pack contains information sheets for HPV, Boostrix and Varicella, a checklist and a consent form. Consent forms should be returned to the Front Office by Friday 4th March. Spare copies are also available at the Front Office. The first vaccination day is Thursday 10th March. This is also the catch up date for Year 8 students who missed vaccinations last year.

Frieda Gorman
Coordinator
Year 12 Crossroads Camp

Year 12 Crossroads Camp at Bonville provided students with opportunities to maximise their potential for success in Year 12. Informative workshops were all on offer from study skills, career planning, advice on university entry, coping with stress, the importance of nutrition together with tips on maximising ATARs. Constable Snow also ran a valuable workshop on Risk Taking in Adolescence. Team building afternoons were spent on challenging outdoor activities such as the Commando Course, Leap of Faith, MegaDrop and Giant Swing. An evening reflections session was held as well as a fun Trivia Night where Nic French’s team managed to just outsmart the teacher’s team with their bonus points in the movie round - teachers don’t have time to watch movies!

Frieda Gorman/Jon Winfer
Year 12 Advisors

Mr Winfer and Mr Kingsley showing us all that age is no barrier to superior fitness!

Tug of war teamwork

Roan shooting some hoops!

One team took time out for a photo after the mud crawl
Year 12 are invited to an Open Day at UNE, Armidale on Friday 6th May. This is a valuable opportunity for Year 12 to get a feeling for the university campus, investigate courses and to look at on campus accommodation. Places are limited, so please hand in permission notes ASAP. Spare permission notes available from the Front Office.

Year 10 students have commenced Career Education by examining a variety of inspirational career film clips. Students will also be using career web tools this term such as My Career Match and My Future to explore different job options and pathways. Now is the time for Year 10 to start thinking about future plans and possibilities!
MathsOnline

The Mathematics Faculty is promoting the opportunity for parents/carers to purchase a one year subscription online study package “MathsOnline” – an interactive learning tool designed by teachers for teachers, students and parents.

The design of MathsOnline is based around two key features:

1. To significantly raise the self-confidence of students through higher achievement in mathematics.

2. To provide an independent, structured learning environment.

MathsOnline provides a no nonsense approach to learning mathematics. Through the use of worksheets and video presentations by Patrick Murray, students can review lessons at their leisure.

This package is being offered to students for $20 for the remainder of the year (normally $196, per student).

If you are interested in purchasing this product for your child please complete the form below and return it to the school’s Front Office with the $20 payment.

Lachlan Webb
Head Teacher Mathematics

(Please detach and return to the Front Office with your $20)

MathsOnline

I would like to purchase a subscription to “MathsOnline” - payment of $20 is attached.

Canteen News

Well, with the **New Menu** in full swing, photos up and menu boards being mounted this week, the Canteen is looking colourful and brighter.

Service times have run a lot smoother with the support of student volunteers. A huge **thankyou** to you all!! A roster has been put up on the Canteen door if you are unsure of your shift. If you cannot make your shift, please let me know so I can replace you. If you are not on the roster and would like to be, come and see me.

The **Suggestion Box** has received numerous amounts of feedback, thoughts and ideas in relation to your canteen menu and upcoming specials. In response to some of your comments:

* During winter there will be weekly specials of pizza, lasagne, spaghetti bolognase, fried rice, fresh soups and toasted tortillas.
* A variety of sushi tub ideas are currently being created.
* “Ice Cream Sandwiches” are no longer available from our supplier Streets.
* Nanna’s Cookies will be replaced for fresh biscuits baked on site.

**Due to popular demand:** ‘Up and Go’ drinks and individual flavoured liquorice bags have returned. ‘Sour Mentos’ are no longer available, though new flavours have been released and ordered.

Over the next few weeks I will compile a list outlining all **Gluten Free** products currently available from the Canteen. I would also like your input, to offer more breakfast options, remembering they must be healthy and time effective.

This week I will be trialling two **new products** - Beef Meat Pie and a Supreme Vegetable Pie. Can’t wait to try them and collect feedback.

Remember, a selection of salad sandwiches and wraps are available and made fresh, **IF ORDERED**. All orders must be in by the end of recess. Why miss out and limit your choices - order and enjoy a wider variety.

Thank you to the maintenance men who behind the scenes have been flat out building and changing the canteen, giving it a face lift which improves my work flow.

**HELP** is still needed out of service times for prep work. Any senior students who have free periods and would like to help, an extra set of hands would be really appreciated. Parents, grandparents, family friends your help would also be a great help and would allow more time for a healthier and fresher menu choice to be offered.

Karen De La Cruz
Canteen Supervisor
Welfare News

Bellingen High School has been lucky enough to have an opportunity to secure the services of Ms Cassie Critten. Cassie is a Health Promotion Outreach Officer from Mission Australia and will be based in our school each Friday during 2016.

Cassie will be beginning a program with all Year 9 students shortly. The program will focus on youth issues, mental health, communication, relationships and Drug and Alcohol issues. A note will be distributed to all Year 9 students next week.

Cassie will also be available to mentor student on Fridays. If you have any questions please do not hesitate to contact Ms Julie Taylor at the school on 66551315.

Julie Taylor
Head Teacher PDHPE/Welfare

Sport News

Young Basecaller Excels

Tyran Fieldes from Year 8 travelled to Lismore last week to trial for the North Coast Combined High Schools (CHS) Open Baseball team. As a young player this was seen as an opportunity to gain valuable experience, however, Tyran displayed such outstanding skills playing 1st base he was selected in the team.

Tyran must now travel to Belmont from 21st-24th March to compete at the NSW State Championships. This is a great achievement especially for one so young.

Victorious Volleyballers

On Tuesday 9th February the Open Girls and Open Boys teams represented Bellingen High School at the Mid North Coast Volleyball Championships. Both teams had lost some key players from last year so we had new blood in both teams.
The girls went first and started very strongly dominating the first set against rivals Coffs Harbour High 25-9. They were taken a bit by surprise in the second set when Coffs got their game together and scraped in to win 26-24. This took the game to the final set and the Bellingen girls showed their class winning 15-5.

The win put them into the final against Orara High. Again they started strongly taking the first set only to go down in the second. Their strength in their serving seemed to let them down and Orara was in form at the start of the third set. Unfortunately, despite playing a good standard of volleyball the girls went down in the third 15-11.

The boys also had their first game against Coffs Harbour High School. They started on fire and never looked back beating Coffs in straight sets. Their dig, set, spike game was awesome.

The win also put them into the final against Orara High. This game was a much harder affair, the boys losing narrowly 25-23 in the first set. In the second set they got their game going and came away with a 25-17 victory. The deciding set saw their best performance smashing their opponents 15-2. Captain, Douglas Van Hoffen was a very proud Captain.

The boys will now have to take on the winners of Lower North Coast Zone which will probably be Wauchope.

On the day players were also selected to represent Mid North Coast Zone at the North Coast Championships to be held at Byron Bay. In the girls, Katie Thorn and Ochre Pastro were selected with Emily Ruming named as a shadow in her first year of volleyball. In the boys John Gaite and Jacob Thorn were selected after consistently strong games.

Bellingen High School Library
School Interviews – Procedures for Parents

In the URL at top of page type: www.schoolinterviews.com.au

OR Google “schoolinterviews” and click on the first site “School Interviews”

Enter the code for the event and press Go

This code will be sent to you via e-mail and will also be located in the school newsletter and the school website

Add in your e-mail address and your name

Book for how many students and enter the student’s name. If you select more than 1, an extra box will appear

The press Go
Select subject and teacher for your student then press GO

Step 2: Choose teachers.
- Select a subject from the first box, then select a teacher from the second box.
- More options (up to 8) will appear as you use existing ones.
- Press the green “Go” button to go on to the next page.

Select a time slot by clicking in the box below the time that suits you for each teacher.

Step 3: Choose the time(s) you want.
- Leave time to get from one booking to the next - back-to-back bookings are not a good idea.
- Missing checkboxes mean that time has already been booked by someone else.
- Mouse over the teacher name to see more information.
- Press the green “Go” button to confirm your bookings.

Mon 16 Feb 4:30pm - 8:00pm

For Greg
- Mr KOUDELA (Chemistry)
- Mrs F. GORMAN (Careers)
- Mr C. DRAY (Earth & Environment)

Any time slot that is missing means that the teacher is not available at that time.

Then Press GO

You will see a screen that shows:
Your booking has been confirmed and e-mailed to you

In this screen you can: cancel, update details, add another student or booking, or re-schedule.
You have an option to print as well.

When completely finished click “FINISHED”

You can also view, change or cancel by clicking the link in the e-mail or by visiting
www.schoolinterviews.com.au

NOTE: If an event has been cancelled by the school, you will automatically receive an e-mail

Bellingen Shire
Youth HUB
Activities, programs and services for youth 12 - 24 years

March 2016

Youth Clinic
Has returned for the new year!
every Thursday 2-5pm
bulk billed * no appointment necessary

Drop-In and Chill Out
Open to all youth Tuesday to Friday

Got your L plate?
Need to get your driving hours up? Two Way Street is available at the Hub to help!

Art Classes
Continuing at the Hub,
every Thursday 3:30-5pm.

Youth Week is coming to the Bellingen Community Markets, 6th April! Don’t miss it!

The Hub can support you with study space, stress, tutoring, counselling and much more!

---- NINE MATES IS ALL IT TAKES ----

To start any new program, all you need is nine friends to show their interest.
Please call (02) 6655 0381 or check our website at www.bellyouthhub.net for details.

Proudly supported by the Bellingen Shire Council
